BIOGRAPHICAL INFORMATION:

ALICE HOOVER PEARCE

I was born in Lansing, Michigan and have spent my whole life in the Lansing area.

I attended Holy Cross Elementary School, then on to St. Mary's High School, graduating in 1960.

After graduation, I started working at General Motors. I started as a Clerk and moved my way up to Supervisor in the Mock-Up area.

I retired from General Motors in 1997. Since my retirement, I have kept busy with all the things (activities) that retirement brings – staying close to family and friends, attending lunches and dinners, being the Newsletter Editor of the information paper here at the Lakes, card making and gardening, and attending an occasional movie, going to Mackinaw Island at least once a year.

I am thoroughly enjoying my retirement, filling each day doing the things I enjoy.
